a type of folklore myth is central to all cultures written by a leading authority and of use to high school students undergraduates and general readers this reference offers a convenient overview of the role of myth around the world the volume defines and classifies types of myth and provides examples from different cultural traditions it then overviews various approaches to studying myth this is followed by a look at myth in relation to its contexts such as religion politics and popular culture the volume closes with a bibliography of print and electronic resources and a glossary

essay from the year 2019 in the subject film science university of wisconsin milwaukee language english abstract for new writers an understanding of story structure is essential yet today this is almost impossible due to the enormous variety of conflicting theories and views the scene is filled with controversy and confusion three act five act nine act no act which is it how does it matter what will it get you writers need to get on with the important work of writing great stories this essay is intended to get a handle once and for all on story structure so much has already been written on the subject that the new writer investigating her his craft is confronted with literally hundreds of volumes of conflicting information and theory ranging from authorities proclaiming structure as god to others arguing that structure is a myth it is interesting how the subject has begun to take on the trappings of religion the guru fervor has reached an all time high in order to deal with all the confusion we ll have to go to some effort to lay a foundation before advancing an approach to story structure that applies to the length and breadth of storytelling from there the rest of the text is devoted to testing the idea against some of the most well discussed structure less films in cinema history

this absolutely vital resource created specifically for fiction writers lists 2000 fiction publishers including many prestigious non paying

markets not listed in writer s market

in search of a model for african american drama is a comparative study of how these three dramatists seek and devise new models to address the specific conditions of blacks in america each writer relies on a different approach each powerful yet apparently contradictory the author examines the dramatists work in detail exploring common and contrasting themes and models

the unique literary tradition of nineteenth century american jewish women has been largely ignored in writing their nations diane lichtenstein considers more than twenty five of these authors including emma lazarus rebekah hyneman penina moise and emma wolf their texts illustrate how jews women and other outsiders have simultaneously struggled to maintain their other identity and to be seen as authentically american these women strove to sustain alliances with both their american and their jewish nations and they used their writing to affirm multiple loyalties despite the historical religious and cultural obstacles that discouraged or prohibited them from writing by molding two stereotypes the american true woman and the jewish mother in israel these authors attempted to follow the prescriptions for middle class american and jewish womanly behavior in their lives and in their writing they thus reassured their jewish families and their american readers that they were good citizens wrestling with issues of assimilation as well as gender these women wrote from a unique vantage point
